GORDANA VOJINOVIĆ

GRAPHIC DESIGNER

ABOUT ME

I am a passionate graphic designer with expertise in 3D design, modeling, video montage, and branding. I thrive on creating visually compelling and impactful designs, bringing a strong creative vision to every project. With a focus on innovation and detail, I am dedicated to delivering unique and effective solutions that meet both aesthetic and strategic goals.

WORK EXPERIENCE

2023 - Present TEACHING ASSISTANT

University of Donja Gorica

As a teaching assistant at the Faculty of Design and Multimedia, I actively support educational activities by demonstrating key design concepts and techniques to students. I assist in developing and delivering course content while also contributing to the creation of promotional materials for the faculty, ensuring a professional and cohesive visual identity.

2020 - Present FREELANCE GRAPHIC DESIGNER

Montenegro

As a freelance graphic designer, I have worked on a diverse range of projects, specializing in 3D modeling, branding, and video montage. My portfolio includes creating immersive 3D designs, developing unique brand identities that capture the essence of businesses, and producing dynamic video content. I am committed to delivering high-quality solutions that align with my clients' visions and objectives.
